THE GOLF COURSE

Located minutes from downtown and the airport, this 18-hole, 6608-yard course is your golfing playground. At Mayfair Lakes we receive better weather than other Lower Mainland golf courses due to our westerly location.

Designed by Les Furber, Mayfair Lakes is known for fast, well-protected greens, and manicured fairways with distinctive lakes around 13 holes. Its inspired layout offers a unique challenge on every hole. With a slope of 126 and a rating of 71.7 off our red tee markers, you are sure to enjoy every round.

Deep-tyne aeration keeps the course in tip top shape year round. But don't take our word for it, come out and see for yourself!

BOOKING POLICY

1. Saturday and Sunday morning tee times are blocked for Member use.
2. The first 90-minutes of tee times on weekends/holidays are blocked for adult Member play only. This time period for “Members Only” may be extended at the discretion of the Golf Shop. Members are welcome to bring guests anytime after this reserved period as availability allows.
3. When booking a Member time, all players in the group (including guests) must be identified.
4. Member access to weekend/holiday tee times is through the ballot system. The ballot draw is done Sunday afternoon for the following weekend play, including statutory holidays. Ballot submission may be done in person or through the Golf Shop by telephone up to 3:00pm every Sunday. Statutory holiday booking policies will override regular Member block times.
5. All players’ names must be completed on a ballot, and the first name on each ballot (the “captain” of the group) shall be responsible for the tee time. Therefore, the responsibility for changing players within a group, or cancelling the tee time, will rest with the captain.
6. Any weekend tee times remaining after the ballot draw has been completed may be booked on Monday (after 7:00am) by calling the Golf Shop
7. Juniors may play during Member block times by adult Member invite only.
8. Guest rates only apply for those guests playing in a group with a Member. They do not apply if a Member books a time for a friend. If the group exceeds “a foursome” the guest rate will only apply to those guests playing in the tee time slot with the Member – not the whole group. Guest rate applies when applicable and cannot be combined with any special offer.
9. Please see Mayfair Lakes Rules and Regulations for the full explanation of the policy.

RULES & ETIQUETTE

RCGA RULES GOVERN ALL PLAY

Play is governed by the 2021 Royal Canadian Golf Association Rules of Golf and the 2021 decisions, along with the Local Rules as laid out on the Scorecard and where applicable, by the following Local Rules and Conditions of the Competition.

LOCAL RULES

1. Out of Bounds: The practice facility, parking lot and boundaries defined by white stakes or perimeter fences. Rule 18, Penalty stroke and distance.

When a player's ball has not been found or is known or virtually certain to be lost or out of bounds, the player must proceed under the Stroke and Distance Local Rule for a penalty of two strokes, rather than proceeding under stroke and distance. Model Local Rule E-5.
2. Embedded Ball: The embedded ball rule is extended to apply through the green. (Except in loose sand)
3. Integral Parts of the Golf Course: The railroad ties which define the margins of the water hazards are integral and not obstructions.
4. Stakes and Wires Supporting Trees: These are obstructions, but there is no relief from the tree itself, unless there is also interference by the obstruction.
5. Distance Measuring Devices: Devices that measure distance only may be used. This includes the club GPS systems, some other GPS systems, and many laser range finders. These devices may not measure other conditions that might affect play, such as wind speed, temperature, gradient etc.
6. Penalty Areas: All water hazards are lateral water hazards. Railway ties are considered within the Yellow and Red Penalty Areas. Rule 17.
7. Power Lines: Ball striking power lines must be replayed. No penalty.
8. Greens: Double green margins are divided by yellow post. All balls must be dropped from foreign greens. Rule 13. No penalty.
9. Breaking ties in match play: Play shall continue, starting at hole number one, and keep going until someone wins a hole. The one who wins a hole shall be the winner. Handicap strokes will be assigned on the same holes they were during the original 18 holes.

ETIQUETTE

To keep Mayfair Lakes a pleasurable experience for all, please follow these rules:

1. Please replace divots, repair ball marks on greens and rake sand traps.
2. Pull carts and power carts are not permitted on tees or beyond lines marked in front of greens.
3. Proper golf attire should be worn at all times. Collared shirt or high neck shirts required, no cut-offs, or sweat pants.
4. Please try to keep up to the group ahead of you. Slower players must allow faster players to play through.
5. We ask that you arrive at least 30 minutes before your tee time to allow time to check in and make your way to the first tee.
